DISPATCH NO. [REDACTED]

TO : Chief, [REDACTED]

DATE: JUL 28 1953

FROM : Chief, KUCLOB

SUBJECT: GENERAL - Administrative

SPECIFIC - [REDACTED] Transportation Problem

REF: [REDACTED]

DEPUTY DIRECTOR FOR ADMINISTRATION (DD/A)

1. In order to provide a solution to the problem [REDACTED] personnel experience in travelling between their homes and [REDACTED] the proposal quoted below was presented to the office of the General Counsel and [REDACTED] for their approval.

"That the Senior Representative be authorized to provide for personnel assigned to [REDACTED] transportation from their residences to the station and return and that such provision utilize the most economical method under current conditions."

2. The office of the General Counsel ruled that it could offer no legal objection to the proposal and on 14 July 1953 [REDACTED] approved the proposal. A Copy of this memorandum is attached.

3. The proposal was so stated as to allow the Senior Representative to reimburse personnel on a mileage basis for use of their personal cars, provide a limited number of quasi-personal cars to be used on a car-pool basis or use any other means best suited to the solution of the problem.

4. Therefore, on the basis of [REDACTED] approval of the recommendation quoted in paragraph 1 above, it is requested that you take appropriate measures to alleviate the situation in coordination with the Senior Representative and advise Headquarters of the method to be used.
